COMPLAINT

Plaintiff EIM Management (USA) Inc. ("EIM"), by its undersigned counsel, brings this action and for its Complaint alleges, upon knowledge with respect to itself and its own acts, and upon information and belief with respect to all other matters, as follows:

Nature Of The Action

1. This action concerns the John Doe Defendants' intentional misappropriation of EIM's valuable name and trademark to take advantage of EIM's goodwill and reputation for the illicit purposes of perpetrating what appears to be a fraudulent scheme on the public. Specifically, the John Doe Defendants have engaged in the fraudulent and deceptive practices of (i) knowingly registering and using Internet domain names confusingly similar to

EIM's valuable name and trademark and (ii) creating, maintaining and operating Internet websites that improperly and illegally use EIM's valuable name and trademarks without authorization in connection with a scheme intended to defraud Internet users into providing defendants with funds on the promise of a rate of return on those funds of up to 25000% within 72 hours.

2. EIM is preliminarily seeking expedited discovery to obtain information regarding the identities of the John Doe Defendants, and thereafter intends to seek injunctive relief enjoining the John Doe Defendants' illegal conduct, an award of statutory damages due to the John Doe Defendants' cybersquatting, and an award of attorneys' fees and costs incurred in prosecuting this action.

Parties

3. EIM Management (USA) Inc. is a corporation organized under the laws of Delaware and maintains its principal place of business in New York, New York. EIM Management (USA) Inc. is a member of the broader family of EIM entities that provide services under the EIM name and mark worldwide.

4. The true names and addresses of the John Doe Defendants are unknown to EIM at this time. The John Doe Defendants are known to EIM only by the information set forth in the publicly available WHOIS information for the eimtrust.com and eimtrust.net domain names, which primarily consist of facially false names and postal addresses. Attached hereto as Exhibit A and Exhibit B are true and correct photocopies of printouts of the WHOIS information for the eimtrust.com and eimtrust.net domain names, respectively. EIM believes that information obtained in discovery will lead to the identification of the John Doe Defendants' true names and addresses.

Jurisdiction and Venue

5. The Court has jurisdiction over EIM's federal claims under 15 U.S.C. § 1121 and 28 U.S.C. §§ 1331, and 1338(a).

6. Personal jurisdiction over the John Doe Defendants is proper under N.Y. C.P.L.R. § 302.

7. Venue is proper in this District under 28 U.S.C. § 1391.

Background Facts

The EIM Family Of Marks Are Very Well Known And Valuable

8. EIM and its affiliates have used the EIM name and mark continuously in connection with providing investment advice with respect to portfolios of hedge funds since 1992. Today, EIM and its affiliates have approximately \$14 billion in combined assets under management.

9. During the course of their 16 years of continuous use of the EIM mark, EIM and its affiliates have developed a broad family of EIM marks in conjunction with the growth of their businesses, including the word marks EIM Group, EIM True Diligence, and the

design marks  , and  (collectively, the "EIM Marks"). As a result, today the EIM Marks are very well known.

10. EIM and its affiliates are also the registrants of a family of EIM domain names, including such domain names as eimgroup.com, eimgroup.org, eimusa.com, eimusa.org, eimcapital.com, eim-capital.com, eimcapital.net, and eim-capital.net (collectively, the "EIM Domain Names").

11. EIM and its affiliates offer under the family of EIM Marks investment advice with respect to portfolios of hedge funds in all of the traditional channels of trade in which such services are offered, and use the EIM Domain Names and the Internet to provide services to EIM's exiting clients.

12. Long before the acts complained of herein, the EIM mark and the rest of the family of EIM Marks have, through extensive advertising, promotion, and the transaction of business in this District and throughout the United States under these marks, become famous and associated by the public with EIM.

13. EIM invests substantial sums marketing the EIM Marks through popular and financial media, on the Internet, and other marketing avenues. Indeed, EIM and its affiliates spend on average more than \$1 million per year marketing the EIM Marks.

14. The EIM Marks and EIM Domain Names represent enormous goodwill that belongs exclusively to EIM and its affiliates. Accordingly, the EIM Marks, and each of the distinctive marks comprising that family, as well as the EIM Domain Names, are extremely valuable assets of EIM.

**The John Doe Defendants Unlawfully Register The Domain Name eimtrust.com
And Thereafter Create A Fraudulent Website Featuring The EIM Logo Mark**

15. On April 15, 2008, the John Doe Defendants registered the eimtrust.com domain name using the services of the domain name registrar eNom, Inc. ("eNom").

16. After registering the eimtrust.com domain name, the John Doe Defendants made a website available at the URL <http://www.eimtrust.com> that used the EIM Marks without the authorization of EIM in connection with a scheme intended to defraud Internet users into providing the John Doe Defendants with funds on the promise of a rate of return of up to

25000% within 72 hours. A true and correct printout of the www.eimtrust.com website is attached hereto as Exhibit C.

17. Among other unauthorized uses of the EIM Marks, an identical copy of the EIM logo mark appeared without authorization on a portion of the homepage of the www.eimtrust.com website. This use is illustrated below:

See Exhibit C.

**EIM Discovers The www.eimtrust.com Website
And Promptly Takes Action To Disable That Site And Notify
Pertinent Law Enforcement Agencies And Government Regulators**

18. On or about May 21, 2008, EIM learned of the www.eimtrust.com website.

19. Counsel for EIM contacted eNom on May 21, 2008, and eNom promptly disabled the John Doe Defendants' use of the eimtrust.com domain name.

20. Thereafter, counsel for EIM notified federal and state regulators, law enforcement authorities and investigative bodies, including the Federal Bureau of Investigation, the U.S. Secret Service, the U.S. Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Federal Trade Commission and the State of New York Attorney General's Office, Division of Investor Protection, of the activities of the John Doe Defendants vis-à-vis the www.eimtrust.com website. A copy of that letter is attached hereto as Exhibit D.

**Undeterred By The Disabling Of The www.eimtrust.com Website,
The John Doe Defendants Register A Second EIM Trust Domain Name To
Perpetrate Another Fraudulent Website Identical To The First EIM Trust Website**

21. Less than one week after their unauthorized use of the eimtrust.com domain name was disabled, and without ever contacting EIM to discuss the disabled domain name or its intention to obtain another similar name, the John Doe Defendants registered a second domain name, eimtrust.net, again using the services of eNom.

22. After registering the eimtrust.net domain name, the John Doe Defendants made a website available at the URL <http://www.eimtrust.net> **identical** to the one they previously perpetuated via the www.eimtrust.com website. A true and correct printout of the www.eimtrust.net website is attached hereto as Exhibit E.

**EIM Discovers The www.eimtrust.net Website And,
Once Again, Promptly Takes Action To Disable That Site And Alert
Law Enforcement Agencies And Government Regulators Of The Continuing Fraud**

23. On June 10, 2008, EIM discovered the www.eimtrust.net website.

24. Counsel for EIM again promptly contacted eNom, which immediately disabled the John Doe Defendants' use of the eimtrust.net domain name at the request of counsel for EIM.

25. Thereafter, counsel for EIM notified federal and state regulators, law enforcement authorities and investigative bodies, including the Federal Bureau of Investigation, the U.S. Secret Service, the U.S. Securities and Exchange Commission, the Financial Industry Regulatory Authority, the Federal Trade Commission and the State of New York Attorney General's Office, Division of Investor Protection, of the activities of the John Doe Defendants vis-à-vis the www.eimtrust.net website. A copy of that letter is attached hereto as Exhibit F.

26. The John Doe Defendants' persistent efforts to register domain names confusingly similar to the EIM Marks, and using the EIM Marks themselves without

authorization, is a deliberate and willful effort to advantage themselves at EIM's expense. This illegal conduct likely will continue unless and until EIM obtains the relief it seeks in this action.

FIRST CLAIM FOR RELIEF
(Unfair Competition And False Designation Of Origin
Under Section 43(a) Of The Lanham Act)

27. EIM repeats and realleges all of the allegations set forth in paragraphs 1-26 as if fully set forth herein.

28. The eimtrust.com and eimtrust.net domain names (the "Infringing Domain Names"), and the websites made available by the John Doe Defendants at www.eimtrust.com and www.eimtrust.net (the "Infringing Websites"), misappropriate and feature the EIM Marks.

29. The John Doe Defendants adopted and began using the Infringing Domain Names and the Infringing Websites without the knowledge, authorization, or consent of EIM.

30. The John Doe Defendants adopted and began using the Infringing Domain Names and created and began using the Infringing Websites with full awareness of the enormous goodwill that EIM has developed in the EIM Marks, and with an intent to profit or otherwise gain from the goodwill and reputation of those marks.

31. The John Doe Defendants' conduct complained of herein is likely to cause Internet users to mistakenly believe that there is a connection, association, or affiliation between EIM and the Infringing Domain names and the Infringing Websites.

32. The John Doe Defendants' conduct complained of herein constitutes unfair competition in violation of Section 43(a) of the Lanham Act, 15 U.S.C. § 1125(a).

33. The John Doe Defendants' conduct complained of herein constitutes false designation of origin in violation of Section 43(a) of the Lanham Act, 15 U.S.C. § 1125(a).

SECOND CLAIM FOR RELIEF
(Service Mark Dilution Under
Section 43(c) Of The Lanham Act)

34. EIM repeats and realleges all of the allegations set forth in paragraphs 1-33 as if fully set forth herein.

35. The EIM Marks are distinctive of EIM's services, and are famous as a result of EIM's extensive advertising, promotion, use, sale, charitable contributions, and offering of services under the EIM Marks, and their widespread recognition by the relevant consuming public and their association with EIM.

36. The John Doe Defendants' conduct complained of herein began after the EIM Marks became famous.

37. The John Doe Defendants' conduct complained of herein has diluted and likely will continue to dilute the distinctive quality and value of the EIM Marks in violation of Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c).

38. The John Doe Defendants' conduct complained of herein is likely to cause dilution by blurring or dilution by tarnishment of the EIM Marks in violation of Section 43(c) of the Lanham Act, 15 U.S.C. § 1125(c).

THIRD CLAIM FOR RELIEF
(Cybersquatting Under 15 U.S.C. § 1125(d))

39. EIM repeats and realleges all of the allegations set forth in paragraphs 1-38 as if fully set forth herein.

40. At the time the John Doe Defendants registered the Infringing Domain Names, the John Doe Defendants had a bad faith intent to profit from the EIM Marks.

41. At the time the John Doe Defendants registered the Infringing Domain Names, the EIM Marks were distinctive.

42. The eimtrust.com and eimtrust.net domain names infringe on the EIM Marks.

43. The Infringing Domain Names are confusingly similar to the EIM Marks.

44. The John Doe Defendants have no trademark or other intellectual property rights in the Infringing Domain Names.

45. The John Doe Defendants have not engaged in any use of the Infringing Domain Names in connection with a bona fide offering of any goods or services.

46. The John Doe Defendants have not made any bona fide noncommercial or fair use of the EIM Marks on the Infringing Websites.

47. By means of the conduct complained of herein, the John Doe Defendants intended to divert consumers from EIM's websites to the Infringing Websites, either for commercial gain or with the intent to tarnish or disparage the EIM Marks, by creating a likelihood of confusion as to the source, sponsorship, affiliation, or endorsement of the Infringing Domain Names and the Infringing Websites.

48. At the time they registered the Infringing Domain Names, the John Doe Defendants could not have had reasonable grounds to believe that the use of those domain names was a fair use or otherwise lawful.

FOURTH CLAIM FOR RELIEF
(Common Law Trademark Infringement)

49. EIM repeats and realleges all of the allegations set forth in paragraphs 1-48 as if fully set forth herein.

50. The John Doe Defendants' use of the Infringing Domain Names and the Infringing Websites have caused confusion with EIM's family of EIM Marks, thereby constituting trademark infringement in violation of the common law of the State of New York.

FIFTH CLAIM FOR RELIEF
(Unfair Competition and Trademark Dilution)

51. EIM repeats and realleges all of the allegations set forth in paragraphs 1-50 as if fully set forth herein.

53. The John Doe Defendants' conduct complained of herein constitutes unfair competition in violation of N.Y. Gen. Bus. L. § 360-l.

54. The EIM Marks are distinctive of EIM, and are famous as a result of EIM's long use of the EIM Marks in connection with the services it provides.

55. The John Doe Defendants' challenged conduct began after EIM had established exclusive rights in the EIM Marks and after those marks had become famous.

56. The John Doe Defendants' conduct complained of herein constitutes dilution of EIM's rights in the EIM Marks.

57. John Doe Defendants' conduct complained of herein was intentional and willful.

FIFTH CLAIM FOR RELIEF
(Common Law Unfair Competition)

58. EIM repeats and realleges all of the allegations set forth in paragraphs 1-57 as if fully set forth herein.

59. The John Doe Defendants' conduct complained of herein is likely to cause confusion as to the source or sponsorship of the Infringing Websites.

60. The John Doe Defendants' conduct challenged herein constitutes unfair competition in violation of the common law of the State of New York.

61. The John Doe Defendants' conduct challenged herein was intentional and willful.

WHEREFORE, EIM respectfully requests that this Court:

A. Enjoin the John Doe Defendants, their agents, servants, directors, principals, officers, employees, successors, assigns, and all those acting under their control or the control of their subsidiaries, affiliates or divisions and/or on their behalf and/or in concert, from using the name and mark EIM alone or in combination with any other words, phrases and/or designs, including without limitation, the eimtrust.com and eimtrust.net domain names and any other domain name containing the term "EIM" for and/or in connection with an Internet website, for electronic mail, or for any other purpose, and from otherwise infringing and diluting the distinctive quality of the EIM mark or any of the rest of the family of EIM Marks;

D. Direct the John Doe Defendants or their attorneys to file with this Court and serve upon EIM's counsel within ten (10) days of entry of Judgment a report in writing under oath setting forth in detail the manner and form in which the John Doe Defendants have complied with the requirements of the Court's Judgment;

E. Order that EIM be awarded:

(1) At EIM's election, statutory damages in an amount equal to \$100,000 for each domain name found to constitute a violation of 15 U.S.C. §1125(d);

(2) Enhanced damages under the Lanham Act;

(3) All of EIM's costs in this action, including EIM's reasonable attorneys' fees and expenses; and

F. Order that EIM be awarded such other and further relief as the Court deems just and proper.

RE: EIM Management (USA) Inc.

Dear Sir or Madam:

This letter is further to telephone conversations we have had with your offices on May 21, 2008 and May 22, 2008 on behalf of EIM Management (USA) Inc. ("EIM"). EIM is a registered investment adviser and provides investment advice with respect to portfolios of hedge funds. The EIM family of companies was founded in 1992, currently has approximately \$14 billion in combined assets under

Letter regarding EIM Management (USA) Inc.

management and more than 200 employees. The EIM companies have acquired significant trademark rights in the EIM name, which EIM has been using in commerce since 1992, and the EIM logo mark, which EIM has been using in commerce since 1995.

On May 21, 2008, EIM learned that an individual or entity with no connection to or affiliation with EIM has been operating a website at www.eimtrust.com and using the EIM name and EIM logo without EIM's permission or authorization (the "Infringing Website") and appears to have been engaged in a flagrant fraud. (See Exhibit A.) The Infringing Website purports to provide, among other things, investment services that yield profits of up to 25000% within 72 hours. (See Exhibit B.) Also on May 21, 2008, counsel for EIM contacted the website host for the Infringing Website, eNom, Inc., and eNom agreed to disable access to the Infringing Website.

To date, EIM has been unable to identify the registrant of the www.eimtrust.com domain name or the individual or entity who has been operating the Infringing Website and using the EIM name and EIM logo without authorization. The public WHOIS directory provides only a contact email address of forexcxy@aol.com and a telephone number (626) 728-9102; the remainder of the information provided in the WHOIS database is unintelligible. (See Exhibit C.) EIM has not been able to locate any additional information as to the identity of the operator of the Infringing Website.

EIM is greatly concerned about the Infringing Website and the use of EIM's valuable trademarks on the Infringing Website (or on any other similar websites), and will cooperate fully with all governmental agencies and investigative bodies that may undertake an inquiry of the Infringing Website and/or its principals. Please do not hesitate to contact me if you require additional information or if EIM can be of assistance in any investigation you may commence.

Very truly yours,

Matthew J. Matule

RE: EIM Management (USA) Inc.

Dear Sir or Madam:

I am writing to follow-up on our letter to your offices dated May 27, 2008 on behalf of EIM Management (USA) Inc. ("EIM"), which provides investment advice with respect to portfolios of hedge funds. A copy of our May 27, 2008 letter is enclosed for your convenience. In our May 27, 2008 letter, we described conduct EIM discovered involving a third-party website using the EIM name and EIM logo without EIM's permission to further a scheme intended to defraud Internet users into providing unknown third parties with funds on the promise of rates of return of up to 25000% within 72 hours.

Letter regarding EIM Management (USA) Inc.
June 20, 2008
Page 2

On June 10, 2008, EIM learned that the operators of the website described in our May 27, 2008 letter registered a new Internet domain name, eimtrust.net, and launched a second fraudulent website substantially identical to the first website. (See Exhibit A.) The www.eimtrust.net website again uses the EIM name and EIM logo without EIM's permission or authorization to further a scheme intended to defraud Internet users into providing unknown third parties with funds on the promise of rates of return of up to 25000% within 72 hours. (See *id.*) To EIM's knowledge, no securities, futures, or options were involved in this scheme; rather, it targeted only cash. Also on June 10, 2008, the domain name registrar for the eimtrust.net domain name, eNom, Inc. disabled the third parties' use of the eimtrust.com domain name at the request of counsel for EIM.

To date, EIM has been unable to identify the registrant of the eimtrust.net domain name or the individual or entity who has been operating the Www.eimtrust.net website and using the EIM name and EIM logo without authorization. The public WHOIS directory for the eimtrust.net domain name provides only a contact email address of rate_world@yahoo.com and a telephone number of 359-1222555; the remainder of the information provided in the WHOIS database is unintelligible. (See Exhibit B.) A review of the information made available in the public WHOIS directory for the domain name rateworld.net reveals the same information provided in the public WHOIS directory for the first infringing website, thus leading EIM to believe that the same individuals or entities registered and created both fraudulent websites. EIM has otherwise been unable to locate any additional information as to the identity of the operator of either website.

EIM remains very concerned about these fraudulent websites and the use of EIM's valuable trademarks on such websites (and on any other similar websites), and would welcome the opportunity to work with all governmental agencies and investigative bodies that may undertake an inquiry of these websites and their principals. EIM believes that (1) eNom, Inc. the registrar of the eimtrust.com and eimtrust.net domain names; (2) AOL LLC, the email service provider for the email address identified in the public WHOIS database as being associated with the eimtrust.com domain name; (3) Yahoo! Inc., the email service provider for the email address identified in the public WHOIS database as being associated with the eimtrust.net domain name; (4) the California Public Utilities Commission, the organization that regulates private telephone companies in California, which likely has information as to which service provider issued the telephone number identified in the public WHOIS database as being associated with the eimtrust.com domain name; and (5) e-Bullion and e-gold, the two U.S.-based financial payment processing services identified on the www.eimtrust.com and www.eimtrust.net websites may have information that could help identify the third parties responsible for the www.eimtrust.com and www.eimtrust.net websites.
